Zhang Fang has just finished moving into a new house with his family. He is wondering what to do first in his new town.

Zhang Fang realizes he hasn't gotten a haircut in a very long time and doesn't know where to go or what haircut to get.

Zhang Fang opens up the app store and finds a top rated app named Haircut Preview. He opens it up and discovers a whole world of haircut options

Zhang Fang uses the filter option to preview a bunch of different hairstyle that he could choose for his next cut. He decides to choose something new since Zhang loves new experiences

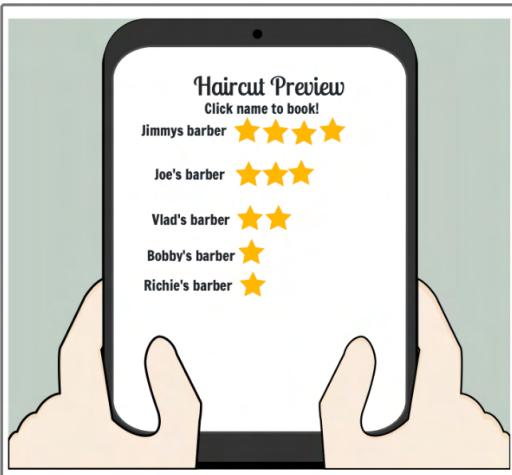

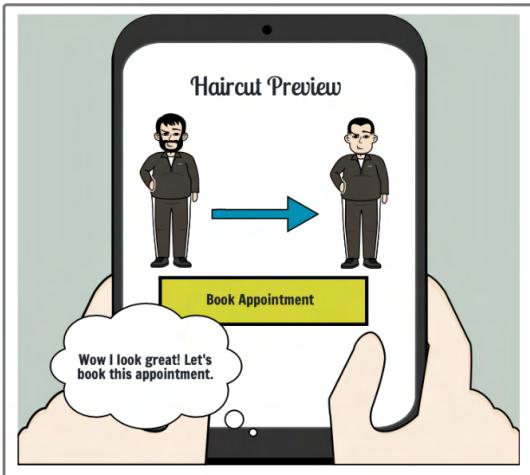

Zhang is able to choose the closest, highest rated barber shop and even book an appointment so that he doesn't have to waste time searching through other websites.

Zhang has finished getting his haircut and he is super happy with the results. He can't wait to go home and show his wife and tell all of his friends about this new app!

Rudy has not shaved his beard in 10 years because he is afraid someone will mess up his masterpiece. He recognizes it's getting out of control and he wants to do something about it.

While thinking of his options rudy discovers a barber shop app that lets him find barbers near him, check their ratings, and even see new beard styles on him!

Rudy tries a few beard styles on himself and finds one he really likes! He decides he wants to get this style on himself and begins looking for barbers with good reviews on the app.

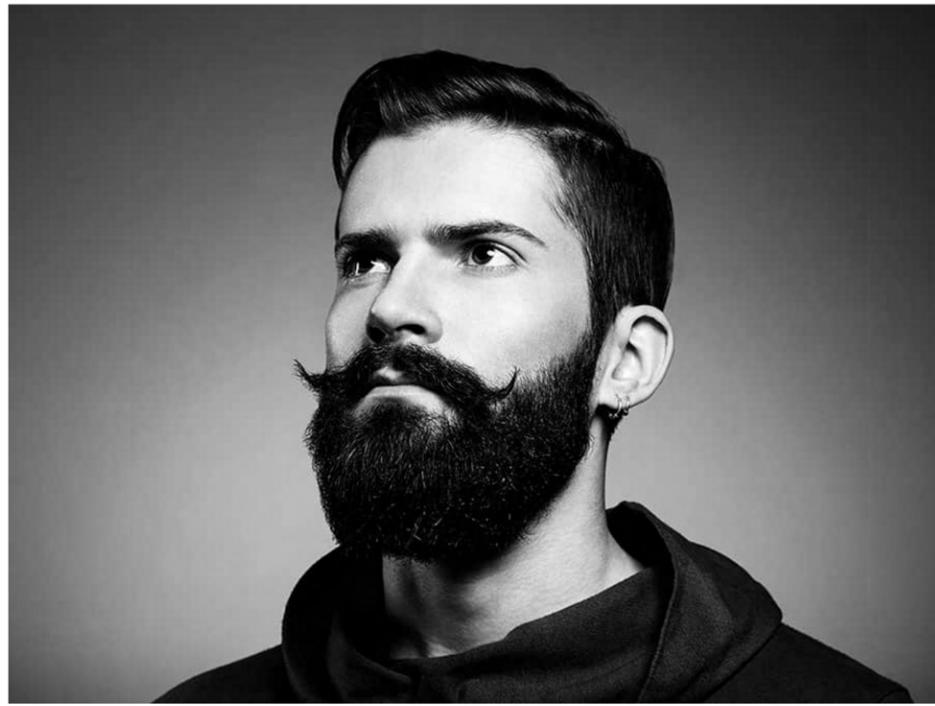

Rudy discovers a barber named John on the app who has 5 stars and has a specialty in beards. Rudy is ecstatic and books an appointment for tomorrow.

The next day Rudy gets in his car and drives over to John's barbershop, He is so excited to finally get the beard style he wants!

Rudy arrives at John's barbershop and John begins trimming up Rudy's beard.

Rudy is so happy with his new beard style and leaves John a 5 star review on the app! Rudy also adds John to his favorites on the app so he can go there next time he needs a touch up!
